Director of the United States Patent and Trademark Office  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Submitted herewith for possible consideration by the Patent Office in connection with the above identified patent application is a Form 1449 citing certain items of information in written form. This disclosure statement is being filed pursuant to 35 CFR 1.97 as a means of complying with the duty of disclosure set forth in 35 CFR 1.56, and does not constitute a representation that the information submitted constitutes prior art.

It is submitted that a review of all of the noted information shows that applicant's invention as defined by the claims are patentably distinguishable. The Examiner's careful, independent review of the cited references is invited as well as any inquiries or comments regarding the same.

In view of the fact that a first Office Action has not been received and apparently not yet issued (37 C.F.R. 1.97(b)(3)), no fee is believed due.

Because the present application is being filed after June 30, 2003, no copies of the U.S. patents or U.S. patent application publications which are listed on the attached Form 1449 are enclosed pursuant to the waiver of 37 C.F.R. § 1.98(a)(2)(i). Any foreign patent documents or non-patent literature listed on the attached Form 1449 are enclosed herewith.

Respectfully submitted,

By:   
Joseph R. Papp, Reg. No. 20115
